The goal of Career Day at CU is to provide students with **practical skills and useful information through a set of activities and thematic lectures that will help them enter the workforce and cross-cutting competencies that will help them grow in their careers**, regardless of their field of study. Thus, everyone can choose activities from the varied programme that are relevant to them at that specific time.

**The event is intended for all students and recent graduates of Charles University, regardless of their faculty or study programme.** It supplements the concept of career fairs organized by the individual faculties where specific employers are usually presented.

If you need simultaneous transcription or wheelchair accessibility for any part of the programme, please email your requirements to [simona.kostelanska@ruk.cuni.cz](mailto:simona.kostelanska@ruk.cuni.cz) by **4 March 2024**.
